The 2010 – 17th Annual Gold Beach Football Team Camp

We are often asked, “what makes the Gold Beach Camp so unique?” There a number of reasons the camp has become so popular over the years.

1. Cost - we are one of the least expensive camps around.
2. Duration - We are a five (5) day camp vs. most other three (3) or four (4) day camps.
3. Football from 8:00 AM to 11:30 PM while most other camps suspend field activities in the evening.
4. The number of hours devoted to each team's on-field practice time, which is four hours per day.
5. Coaches decide when, what, and how their team will participate in the camp organization.
6. The quality of the communities, teams, and coaches who come to camp.
7. The competitive aspects of camp.
 - Saturday's Weight Lifting Contest
 - Saturday's Skill Contest
 - 7 Pass League games
 - 7 Linemen League games
 - The “**Best on the Beach**” Scrimmage-A-Thon
 - Numerous team and individual records and awards
8. The unparalleled beauty and recreation opportunities of Oregon's Wild Rivers Coast.
9. The diversity of teams who come to camp, from small rural communities to large suburban high schools, and from California, Oregon, Washington, Nevada, and Idaho.
10. Outstanding camp facilities.
 - Camp grounds overlooking the Pacific Ocean
 - 3 full sized football fields
 - Outstanding weight room
 - Jay Johnson Stadium
 - 2 full sized gyms
 - Numerous meeting rooms

Camp Features

The Gold Beach Football Team Camp features extensive practice time and facilities for your coaching staff to prepare for the upcoming season. Each coaching staff is in complete control of what their team does each of the five (5) days of camp. The camp also features an extensive Pass and Linemen League competition, based on school enrollment and experience. Individual and team speed, agility, and strength competitions provide an excellent venue for the student/athlete to test himself against other high school student/athletes. The Gold Beach Football Team Camp is a full contact camp which features partnered practices, our famous “**Best on the Beach**” Scrimmage-A-Thon, and opportunities to scrimmage other teams based on enrollment and experience, under the professional supervision of camp staff. Each student/athlete is provided with a camp T-shirt and there are numerous awards and recognition for teams and individual student/athletes.

Camp Enrollment

Due to the unprecedented demand for participation in the Gold Beach Football Team Camp, we will be offering three (3) camp sessions in 2011, with each session limited to 14 teams. Please let us know, as soon as possible, of your interest in participating in the 2011 camp. We will list your team in the order of your contact. Official camp enrollment begins December 18th, 2010 for anyone interested in camp. Returning teams have preference, after that it is first-come first-served. We encourage teams to enroll early and understand that as Spring and Summer approaches circumstances may change. It seems like we always advance a few teams from the waiting list, due to changes in coaches' choices and/or circumstances. Camp enrollment will remain open until there are 14 teams per session and 4 teams per session on the waiting list. New teams will be given preference based on the date of contact commitment or expressed interest.
