We have had a number of requests from families and visitors who will be in Gold Beach during one or more of the 2011 Annual Gold Beach Football Team Camp Sessions. While we would love to help with this aspect of camp, we just do not have the time nor staff to do so. We would suggest you visit the Gold Beach Chamber of Commerce at <http://www.goldbeachchamber.com/lodging.cfm> or our web site at www.gbftc.org for additional information
